Web Address

- InfoComm International occasionally makes available its members' addresses (excluding phone and e-mail) to vendors that provide products and services to the audio visual communications industry. Please check this box if you prefer not to be included in these lists.*

Please select the council and/or committee you are interested in joining. To join a council and/or committee you must be an InfoComm International member.

- Australasian Advisory Council.** I am a member in Asia, Australia or New Zealand.
- European Advisory Council.** I am a European member.
- Exhibitor Committee.** I exhibit at InfoComm.
- ICAT (Independent Consultants in AV Technologies) Council.** I am an independent AV design consultant.*
- Independent Programmers Council.** I am with a business that programs control systems.
- Independent Reps Council.** I am an independent representative for an AV manufacturer.
- Manufacturers Council.** I am a manufacturer.
- Membership Committee.** I have ideas for InfoComm International membership programs.
- Presentations Council.** I am a presentations professional.
- PETC (Professional Education & Training Committee).** I have a special interest in education and training.
- Rental and Staging Council.** I manage AV rentals and/or staging.
- SILC (Systems Integration Leadership Council).** I am an AV integrator.
- Technology Managers Council.** I manage or use audiovisual equipment in a corporation, university, museum, house of worship, military facility, or other end user facility.

As a member of a council and/or committee you will be subscribed to the council and/or committee eGroup at <http://community.infocomm.org>

**If you wish to join ICAT, InfoComm International staff will forward a separate application form.*

If you have any questions, or need further information about InfoComm International Councils and Committees, please contact the Membership Department.
