

### Code of Professional Ethics

- As a Certified Technology Specialist, I understand that my personal standards of honor and integrity must, at all times, be above reproach and I must conduct myself in a manner that reflects favorably on my profession. By doing so, I will strive to create an ethical climate within my organization, my industry, and the community of clients which I serve, building honesty and trustworthiness in all of my relationships and ensuring my reliability in performing my assigned responsibilities.
- As a Certified Technology Specialist, I pledge to be truthful and accurate in what I say, do, and write. I will exhibit constructiveness and cooperation in all of my working relationships, ensuring adherence to the law at all times. I will efficiently use resources and will not reveal fact, data, or information obtained in connection with services rendered without the prior consent of the client or employer- except as authorized or required by law.
- As a Certified Technology Specialist, I will demonstrate a commitment to excellence in all aspects of my profession and will consistently promote and encourage the highest level of ethics within the industry. I will refuse to engage in, or countenance, activities for personal gain at the expense of my company.
- As a Certified Technology Specialist, I will undertake only those assignments for which I am competent by way of education, training, and experience. I will not misrepresent or permit misrepresentation of my own or associate's academic or professional qualifications nor exaggerate my degree of responsibility for any work. Furthermore, I will admit and accept my own errors when proven wrong, refraining from distorting or altering the facts in an attempt to justify my decisions.
- As a Certified Technology Specialist, I will use every opportunity to improve public understanding of the role of the communications industry. I will also have due regard for the physical environment and for public safety, health, and well-being. If my judgment is overruled under circumstances where the safety, health, property, or welfare of the public may be endangered, I will notify my employer, client, and/or such other authority as may be appropriate.
- As a Certified Technology Specialist, I will always strive to maintain proficiency by updating technical knowledge and skills.
- As a Certified Technology Specialist, I will avoid compromise of professional judgment by conflicts of interest.
- As a Certified Technology Specialist, I will act in a manner free of bias with regard to religion, ethnicity, gender age, national origin or disability.
- As a Certified Technology Specialist, I will uphold and follow all policies and procedures required by the Certification Committee to remain in good standing, and abide by the Code of Professional Ethics.
- As a Certified Technology Specialist, I understand that the certificate, logo and marks are the property of InfoComm. I agree to return the certificate upon request to the Certification Committee.

I have read, understand and agree with the Code of Professional Ethics. Therefore, I understand and agree that my failure to abide by the Code of Professional Ethics shall constitute grounds for denial or revocation of my certification.
