## InfoComm 2011: The Center of IT All!

The entire world of audiovisual communications comes together at InfoComm 2011 with the technology, solutions, education and connections to put success in your orbit.

**EXPERIENCE** the cutting edge of 3D, audio, digital signage, telepresence & conferencing, projection, and lighting & staging.

**DISCOVER** new applications for business and IT, government, education, healthcare, hospitality and worship.

**NETWORK** with 32,000 professionals and 950 exhibitors — and learn it all from experts in 300+ seminars — at the largest, most comprehensive pro-AV event in the world.

### InfoComm Members Attend for FREE!

Members of InfoComm International will enjoy free show floor access and discounted education rates at InfoComm 2011. Join the association that proudly represents thousands of AV professionals and take advantage of everything it has to offer. [Join today!](#)

### Registration Opens in February.

At InfoComm 2011 you can find the latest innovations and business solutions, the hottest technologies, unparalleled networking opportunities, plus training and education sessions on every industry topic, all under one roof. Make plans to join us in Orlando and see for yourself why InfoComm 2011 is at The Center of IT All!
