

Choose Your Category

Please review the membership categories listed below to select the one most appropriate for you.

Commercial Memberships

Commercial AV Companies

For companies involved in offering commercial AV products and services. Category includes AV dealers, resellers, systems integrators, rental and staging companies, design consultants, manufacturers, software publishers, independent representatives, media distributors, presentations consultants, marketing or advertising agencies, independent business consultants and others who provide services to the AV industry. [More](#)

Commercial AV Branch members

For member companies with multiple offices. [More](#)

Non-Commercial Memberships

Organization

For non-profit and for-profit organizations that use AV communications technologies, but are not involved in offering commercial AV products and services (such as education, corporations, government/military, entertainment, healthcare and religious organizations). Organization members can offer InfoComm International member benefits to multiple individuals. [More](#)

Associate

For anyone involved with AV communications technologies. Whether you're a freelancer, a manager of a university AV department, a presentations specialist for a corporation, or the occasional presenter with an avid interest in AV — individuals who manage or use communications technologies in a non-commercial AV context are eligible for Associate Membership. [More](#)

Student

For high school and college students with an interest in an audiovisual career, InfoComm International welcomes you! Start your professional and educational journey with us! [More](#)
