

CTS-D

Congratulations! You've made a great decision to pursue a specialty InfoComm certification! Here are the simple steps to help you prepare and apply to take the exam:

1. Make sure you meet the CTS-D prerequisites: at least two years of design experience and a valid CTS.
2. Read the . It provides valuable information about the testing process and includes a copy of the application.
3. Self-assess your knowledge, skills, and abilities against those required for the exam. Do this by familiarizing yourself with the exam content outline and working through the .
4. Submit your to InfoComm by fax, mail, or email.

[CTS-D Study Resources](#): Study tips, assessment tests, and sample exam questions.

[Resources for Employers](#): Find out why a CTS-D is the smart choice for your employees.

Put your CTS-D to work for you. Our [CTS Toolkit](#) has lots of great resources to help you market your credential to its fullest.

Already have a CTS-D? Make sure you keep it! Visit the [Renewal Page](#) to find out how.

Find a [Prometric Testing Center](#) near you.

Certification is not a guarantee for performance by certified individuals. Certified Technology Specialist (CTS) holders at all levels of certification have demonstrated audiovisual knowledge and/or skills. Certified individuals adhere to the CTS Code of Ethics and Conduct and maintain their status through continued education. Certification demonstrates commitment to professional growth in the audiovisual industry and is strongly supported by InfoComm.

All eligibility, application, score reports, special accommodation requests and general inquiries regarding InfoComm certification will be handled through the InfoComm International Certification Office, with headquarters located in Fairfax, VA, U.S.A. Purchases of education, membership or any other InfoComm services are not required to seek certification.
