

About InfoComm

InfoComm International® is the leading nonprofit association serving the professional [AV communications industry](#) worldwide. Founded in 1939, the association offers industry expertise and market research serving press and others seeking information about the industry.

Members of the industry are encouraged to adhere to [10 Standards of Excellence](#). To find InfoComm members by region, company, specialty or credentials, use the [Member Search](#).

Through activities that include tradeshow, education, certification, government relations, outreach and information services, InfoComm promotes the industry and enhances members' ability to conduct business successfully and competently.

The association's activities are guided by an elected [Board of Directors](#) and led by Executive Director Randal A. Lemke, Ph.D.

The [International Communications Industries Foundation](#) generates support from corporations, philanthropic foundations and government sources to improve and expand the educational programs of InfoComm International.

Salitek, Kramer and da Vinci Bridge generously donated equipment and services for the renovation of InfoComm's lobby. Visitors can now experience the power of AV. [More](#)

Get a closer look at the featuring the history of the AV industry and InfoComm. To obtain high resolution graphics that you can print for your facility, email [InfoComm](#).
